## 'Insta-famous'

**Charlotte McKinney** is America's latest bombshell, cementing her status in one of this year's Super Bowl adverts (she ate a burger in a bikini). But it all started on Instagram. Told she was too curvy to model, the 22-year-old took matters into her own hands. Her account now boasts more than half a million followers, and made her Kate Upton's heir apparent. God bless social media...

**T**he love goddess Venus rises from the sea, gold-wreathed, and her latest incarnation hails from Orlando. Charlotte McKinney first made waves on the bikini beach—well, in a 2014 ad campaign for Guess, made another splash in early 2015 with a Super Bowl ad for Cat's in Hat, all natural burrito, and then aired right into Season 20 of ABC's *Dancing with the Stars*. Though her range widens through the Internet, her profile will need to fill out. Who is this new girl, anyway, here for a job?

"I grew up in Florida," McKinney says. "I have two parents that are still together. They own a business—they sell exotic cars. To me, nowadays, it's so lucky to have two parents still together. I believe that's how I've made it so far, having such an amazing family behind me." McKinney's destiny was first set in motion at 14. "The day before was my freshman year. I woke up and I had these things,"—braces, big ones. "I didn't really know if it was good or bad. Thank God my older sister, Corinne, was there to help me deal with them." From on the way girls in high school didn't like McKinney or her braids and she was bullied. "I guess they saw me so changed. I was always getting teased with guys because I was funny, and I didn't have a lot of girlfriends to back me."

McKinney made other plans. "I knew what I had to do," she says. "I knew school wasn't an option for me—with my diabetes, my grades, the bull—ing." With close friends Britney Bortol, Claudia Schiller, and Christie Brinkley on guiding stars, McKinney dropped out of school at 17 and hit the modeling agencies. The agencies laughed.

"You're too young, you want to model, and you have diabetes behind you," was the advice McKinney remembers hearing. "This one is going to back me." Before the Guess ad opened doors, she couldn't even get a job for Miami Swim Week. "Who would want a very girl in a swimsuit?" McKinney asks rhetorically. The answer is: No one would! "Which is why this is incredible. A Venus reawakening. I'm really into comedy. I hope to find an outlet to show what I'm a funny girl!" —LAURA JACOBSON
